Sub: Annual Review on working of Public Works Department for the year 2015-2016.

Sir,

I am directed to forward herewith the Annual Review Report on "Working of State Public Works Division for the year 2015-2016" for information. The irregularities brought out are only illustrative and not exhaustive. Though no reply to the points highlighted herein is required, it may please be ensured that such deficiencies are avoided in future.

The Controlling Officers and F.A. & C.A.Os / Divisional Officers under your administrative control may please be provided with a copy of this Annual Review Report for their information and guidance.

Yours faithfully

PREFACE

The System of Public Works Accounting is well entrenched in the general system of accounting. Its significance at the compiler's end lies in the fact that the Public Works Division render compiled accounts up to the classified abstract stage to the Accountant General. The accounts compiled by the Public Works Divisions, which are by nature semi-compiled, undergo the consolidation processes in the Office of the Accountant General and are eventually integrated into the larger accounting format of State Civil Account.

The Review for the period 2015-2016 brings out the state of working of Public Works Divisions, the position of initial and subsidiary accounts kept therein, the quality of accounts rendered by them to the Accountant General and delay in submission of the said monthly accounts.

The purpose of this review is to provide an insight for strengthening of control mechanisms and effective monitoring by the executive. The review in itself is comprehensive but not exhaustive.

I hope this review will be of use to all concerned. Suggestions are welcome for improvement as we serve the common objective of providing better service to public with a due sense of responsibility and accountability.

PRINCIPAL ACCOUNTANT GENERAL (A&E)

ANNUAL REVIEW REPORT ON WORKING OF PUBLIC WORKS DIVISIONS FOR THE YEAR 2015-2016

Introductory

The Annual Review on Working of Public Works (P.W.) Divisions gives a general picture of the initial accounts, deficiencies noticed therein and follow up action taken thereon.

Works Department letter No. IO-24/69-20-65(5)/A dated 18.09.1969 requires that the Controlling Officers (COs) should maintain a register of important deficiencies brought out in the Annual Review report and review them periodically to ensure that such deficiencies do not recur.

This review is on the working of the 344 Public Works Divisions/FA&CAOs under different Engineering Departments in the State of Odisha who render monthly accounts to the Principal Accountant General (Pr. A.G.), Accounts and Entitlements (A&E), Odisha.

The Department wise break- up of the Engineering Divisions in operation in the State during the year 2015-2016 was as under.

SI	Name of the Department	No.of offices
No		/Divisions
01	Roads & Building	66
02	National Highway	15
03	Rural Works	61
04	Rural Water Supply& Sanitation	36
05	Public Health	19
06	Irrigation including Multipurpose	110
	River Valley Projects	
07	Minor Irrigation	30
08	Commerce & Transport Department	03
09	Energy Department	04
	TOTAL	344

STATE OF WORK OF P.W. DIVISIONS IN ODISHA.

1.1 Range of expenditure in Divisions

An analysis of the works Divisions in terms of works expenditure incurred during the year 2015-2016 is indicated below.

SI	Expenditure Range	Public Works		River Valle	y Projects	
No	(Rs. in crore)		(FA & CAO Divisions)			
		No.of	% of total	No.of	% of total	Total
		Divns.	Divns.	Divns.	Divns.	
01	Less than 1	39	11.89	03	18.75	12.21
02	From 1 to 5	35	10.67	02	12.50	10.76
03	From 5 to 10	26	07.93	00	0.00	7.56
04	From 10 to 25	67	20.43	01	6.25	19.77
05	From 25 to 50	76	23.17	02	12.50	22.67
06	From 50 to 100	49	14.94	01	6.25	14.53
07	More than 100	36	10.97	07	43.75	12.50
	Total :	328	100	16	100	100

Division wise details are given in **Annexure – I**.

1.2 Creation of new Divisions without norms / posts of D.A.s / D.A.Os:

Consequent upon restructuring (December 2011) of engineering services in the State, the Government has been creating many Divisions. However, norms for creation of new Divisions have not been prescribed. During the year 2015-16, the Government created 30 new Divisions. At the same time, 9 existing Divisions closed / merged / renamed. Out of the new 30 Divisions, 8 Divisions did not commence their operation in 2015-16. Of this, **FOUR** Divisions commenced operations in 2016-17, after a gap of 8, 12, 13 and 14 months from the dates of their creation. During the period of this delay, these Divisions were included under exclusions as they had been issued with CDA. Thus, there appears to be no logic for creation of new Divisions.

Many of the new Divisions have been created without the sanctions for the post of DAs/ DAOs. Para 2.2.69 of OPWD Code and Para 4.2.1 of CPWA code provide the details of functions to be performed by the Divisional Accountant (DA) / Divisional Accounts Officer (DAO) in the Divisions as an accountant, internal checker and advisor to the Divisional Officer (DO) in all matters relating to accounts, budget estimate and other financial operations. In order to ensure compliance to rules and procedures in all the financial activities of the Divisions, it is desirable that all working Divisions should have a DA/DAO.

1.2.1. In respect of **48** Divisions (**Details given in Annexure - II**) which are rendering their monthly accounts to the Pr. A.G. (A&E), Odisha, D.As / D.A.Os could not be posted / attached as the State Government has not sanctioned the posts. Compilation of accounts and other financial activities in these Divisions are being carried out by the staff of the Divisions. This renders the financial operations of the Divisions unregulated and weak in the absence of appropriate personnel.

Further, the Divisional Officers are issued with Cheque Drawing Authority (CDA) by the Pr. A.G. (A&E) to draw cash from the bank to meet the works expenditure of the Divisions without intervention of the Treasuries. Availability of sanctioned post of DA / DAO is one of the criteria for considering issue of CDA to any Division. In the absence of sanctioned post of DA / DAO, CDA for those **48** Divisions is being issued every year on temporary basis. This practice has been going on for many years.

In view of the above, the State Government needs to sanction posts of DA / DAO to the said Divisions at the earliest. Besides, the Departments concerned need to review the expenditure pattern of individual Divisions and redistribute the sanction of DAOs from Divisions with negligible level of transactions to the Divisions with substantial level of transactions.

Submission of Monthly Accounts by Public Works Divisions and Reconciliation by COs

2.1 Delay In Submission of Monthly Accounts:

Para 22.4.15 of the C.P.W.A. code provides that monthly accounts of all the accounts rendering units should reach the O/o the Pr. A.G. (A & E), Odisha, Puri Branch, by the dates fixed by the Pr. A.G. (A & E). The Pr. A.G. (A & E) has stipulated that the accounts should reach the office by the 10th of the following month to which it relates except for the month of March for which the accounts should reach by 15th April. However, it was observed that several Divisions submitted their accounts after the stipulated date.

An analysis reveals that during the year 2015-16, out of the total **344** divisions, 205 Divisions delayed the submission of monthly accounts on **6** occasions and above as detailed in **Annexure-III**. Out of this, 90 Divisions delayed the submission on more than 9 occasions and 17 Divisions delayed the submission in all the 12 months. Such delayed submission of accounts not only defeats the very purpose of effective scrutiny of accounts by this office but also adds a lot of strain on the limited resources. Besides, delay leads to exclusion of such accounts from State Consolidation which results in incomplete presentation of State Accounts for the relevant months.

The DOs should ensure timely submission of monthly accounts and vouchers to enable the O/o the A.G. (A & E) to exercise the required checks before consolidation of the State Accounts. The COs also need to monitor prompt submission of monthly accounts by all the Divisions under their respective control.

2.2 Reconciliation of figures of receipts & expenditure by the controlling officers by the scheduled time:

The COs of all the Divisions who render their monthly accounts to the Pr. A.G. (A & E) are required to verify and reconcile the figures of receipts and expenditure booked by the Pr. A.G. (A & E). Though there was delay in such reconciliation by the COs during the previous years, due to the constant efforts of the O/o the Pr. A.G. (A & E), all COs have since completed the reconciliation for the year 2015-16.

Introduction of Online Accounts

3.1. Integrated Odisha Treasury Management System (iOTMS)

With a view to ensure effective and real time monitoring of budget and expenditure/receipts, Finance Department of the Government of Odisha initiated (2010-11) the process of online budget / expenditure / receipt monitoring system viz., iOTMS. The system was developed by CMC Ltd. and implemented by the Directorate of Treasuries and Inspection (DTI), Odisha. Major functions of iOTMS included

- **01.** Online budget distribution/re-distribution /re-appropriation
- **02.** Ensuring availability of real time data on receipts & expenditure at Controlling Officer, Drawing & Disbursing Officer (DDO) and Treasury level
- **03.** Booking receipts / expenditure under appropriate Head of Account (HoA)
- **04.** Avoiding expenditure in excess of budget under the respective HoA.
- **05.** Ensuring online reconciliation of receipts / expenditure with the Pr. A.G. by the COs.

3.2. Works Accounts Management Information System (WAMIS)

In order to ensure integration of all operations in incurrence and accountal of public expenditure with the iOTMS, WAMIS software was developed by C-DAC, Pune for use by the Engineering Departments of the Government of Odisha. The system enabled compilation of the financial transactions online as and when occurred at the field units (Divisions) and generation of monthly accounts. This web based Division automation system had four modules, viz., Accounts, Billing, Payment and Budget.

3.2.1. Accounts: This module involved compilation of accounts through the system and submission of the same to the Pr. A.G. online. This was rolled out during 2013-14. At the initial stage, the accounts submitted by a few Divisions were rejected due to booking of expenditure under inappropriate HoAs. To overcome the difficulties, a list of chart of accounts was circulated by the O/o the Pr. Accountant General to all the Divisions. Consequently, online submission of accounts was stabilised during the year 2015-16. Accounts for the month of March 2016 were received online from 342 (out of the total 344) Divisions.

The system can be considered as complete and successful only when accounts from all the Divisions are received online and consolidated as such. The two defaulting Divisions, viz., GA Rent and Fisheries Engineering Division, one under General Administration Department and another under Commerce Department had not initiated any action for adoption of WAMIS software in preparation of their monthly accounts. This needs to be addressed by the Government on 'Top Priority' to ensure completion in rolling out the module.

- **3.2.2. Billing**: This module envisaged preparation and submission of bills / vouchers online by all the field units with geo tagging of photographs of the work actually executed. This could not be finally rolled out during 2015-16 mainly due to the absence of infrastructure (hardware) at all field units / Divisions in remote areas especially those under WR Department.
- **3.2.3. Payment**: This module provided for crediting the payments directly to the bank accounts of the beneficiaries, i.e. contractors, suppliers, other Departments of the Government, etc, in order to ensure transparency in payments. This was rolled out successfully from November 2014. Under this module, provision for dual approval of the Divisional Officer and the DA/DAOs posted / attached to the Division has been made for releasing payments. With the complete roll out of this module the State of Odisha has achieved almost cent per cent (barring payments towards petty expenses) digital payment of works expenditure.
- **3.2.4. Budget**: This module related to online monitoring of budget vis-à-vis expenditure. This has not been rolled out. As the integration of WAMIS with iOTMS has almost been completed, efforts need to be made by the Government to roll out this module.

3.3. Integration of iOTMS with WAMIS.

The purpose of implementation of the above system was to monitor / control expenditure with reference to HoAs under which the funds were being sanctioned by the Legislature. Conscious efforts were made by the Government for completing the task of integration of iOTMS with WAMIS. Despite this, expenditure was continued to be booked by certain Divisions under non budgeted HoAs. Few instances of such unauthorised bookings have been brought to the notice of the Director of Treasuries & Inspection (DTI), Odisha for remedial action. Though systemic changes in this respect can be made by the DTI, this needs to be monitored / controlled by the DOs and

COs at their level. The COs need to sensitize the DOs about the need to follow financial / accounting discipline in this regard.

3.4. Due consultations were held by the State Government with the A.G. (A & E) during the course of various stages of implementation of the above modules and the modifications suggested by the Pr. A.G. (A & E) were accepted and implemented.

3.5. Concerns

In spite of the progress made on the above lines, the following concerns need to be addressed at the earliest in order to reap the benefits of the mission of e-governance in works Divisions.

- **01.** Work wise allotment is not captured by both the packages. Hence, the works actually executed by the Divisions do not agree with the list of works for which allotments were approved by the Government especially in case on Non Plan works.
- **02.** The HoAs under 8443-Civil Deposit in iOTMS have not been synchronised with those in WAMIS.

CASH MANAGEMENT SYSTEM

4.1 Finance Department of the Government of Odisha issues guidelines for implementation of the Cash Management System through Quarterly Expenditure Allocation (QEA) and Monthly Expenditure Plan (MEP). For the year 2015-16, guidelines were issued vide O.M. No. 8107/F dated 31.03.2015 and **12453/F Dated 20.04.2015**.

Main objectives of the guidelines were:

- Even pacing of the expenditure
- Reducing rush of expenditure in the later part of the year
- Front loading of expenditure in the first three quarters to enable corrective measures
- Avoiding the tendency of parking funds outside Government account
- Effective monitoring of spending pattern
- Improving quality of expenditure and
- Better management of ways & means.

The guidelines provided that, 'inter alia', Works, Rural Development (RD), Water Resources (WR), and Housing & Urban Development (H & UD) Departments must incur expenditure to the extent of a minimum of 25, 15, 20 and 40 per cent of the Gross Budget Provision (GBP) during the 1st, 2nd. 3rd, and 4th quarters of 2015-16 respectively. Besides, it was also provided that iOTMS had been so enabled not to allow expenditure in excess of 10 per cent of the GBP during the last quarter (i.e., total 50 per cent) and 15 per cent in March 2016.

- **4.2.** A statement indicating the quarter wise works expenditure actually incurred by the above Departments is furnished as **Annexure VI**. It could be seen that all the four Departments violated the limits prescribed in some way or other.
- **4.2.1** Against the prescribed ceiling of 40 per cent for the last quarter, Works, RD and H & UD Departments spent 53, 61 and 46 per cent under Non Plan and 37, 52 and 56 per cent under Plan. Division wise details are given in **Annexure IV**

The iOTMS also allowed expenses in excess of 10 per cent of the GBP by Works and RD Departments under Non Plan and RD and H & UD Departments under Plan during the last quarter. This was contrary to the above guidelines. It could be seen that RD Department recorded the worst deviation during the current year and also the previous year.

4.2.2 Against the maximum limit of 15 percent prescribed for the month of March 2016, Works, RD, WR and H & UD Departments registered expenditure to the extent of 36, 45, 22 and 32 per cent under Non Plan and 22, 28, 18 and 39 per cent under Plan. Division wise details are given in **Annexure – V.** In absolute terms, RD Department spent about Rs 1030 crore (against the permitted limit of Rs. 461 crore) during March 2016. The very basis of Cash Management System, i.e., ensuring quality of expenditure by avoiding rush of expenditure during last month, was defeated by the Department.

The iOTMS also allowed expenses in excess of 15 per cent by all the Departments under Plan and Non Plan in March 2016. It could be seen the RD and H & UD Departments had recorded the worst deviations. It is not clear as to how iOTMS allowed expenditure in excess of the prescribed limits despite clear guidelines and the controls stated to have been installed.

The Government needs to ensure that all the Departments monitor and control the expenditure in accordance with the prescribed limits in order to ensure quality and corrective measures in case of variations. Special efforts may be initiated to limit the expenditure within the prescribe ceiling in RD Department.

Quality of Accounts

5.1 Deficiencies Noticed in Accounts:

Accounts received from the Divisions were checked by the O/o the Pr. A.G. with reference to the Rules in force and the records furnished. Deficiencies observed during the course of such verification were communicated to the Divisions for corrective measures. However, response from the Divisions was not encouraging. Prompt response and remedial action will help the Government to thwart any eventuality such as avoidable irregularities, scams etc., at later stages.

- **5.1.1** Following were the common deficiencies relating to exhibition of state of affairs observed in the monthly accounts pertaining to most of the Divisions.
- i) Allotment Columns in Form-74 and Form-64 were not properly being filled in.
- **ii)** Form-64, i.e., schedule of works expenditure was not prepared in the format prescribed in **"Book of Forms"** and incomplete, leaving many columns blank.
- iii) Major head wise, scheme wise expenditure shown in Form-64 did not tally with that shown in classified abstract (Form-74).
- iv) Year wise break up of balances under Miscellaneous Works Advances (MWA), Deposit, III (b), C.S.S.A. were not exhibited in the respective schedules of the accounts for September 2015 and March 2016. In case of 'NIL' balances, 'NIL' schedules were not submitted along with the respective monthly accounts.
- **5.1.2** In order to assess the financial impact of deficiencies noticed in the monthly accounts submitted by the Divisions, monthly accounts pertaining to the period from April 2015 to March 2016 were subjected to detailed check. Observations were communicated to the Divisions concerned and also to the respective COs for necessary compliance and instruction as the case may be.
- **5.1.3** Out of the total **1684** references through which the observations were communicated to **280** Divisions, response was received only for **551** (**Annexure VII)**. The percentage of response was about **33**. The COs need to impress upon the Divisions the importance of prompt compliance to the observations and initiation of corrective measures wherever necessary.

Major deficiencies observed and communicated are detailed below. This is **only illustrative and not exhaustive.**

A) Indiscriminate splitting of works

Para 3.5.24 of the Odisha Public Works Department (OPWD) code provides that

- > splitting is permissible with the <u>prior approval of the authority</u> who is competent to accept the tender for the whole work to split up the work in to several parts of reaches for facility of execution of work,
- ➤ it should, however, be clearly understood that the splitting up of a work at the time of calling for tenders is a measure which should be justified by circumstances and must be in the interest of the work, it must not be resorted to with a view to evade the operation of any prescribed limit,
- ➢ if any work is executed by splitting up, the abstract of sanctioned estimate for the work should also be split up and approved by competent authority for facility of control over expenditure and sanction,
- ➤ the split up portion of the work can be treated as a separate work so far as acceptance of tender is concerned,
- when a work is split up into parts or reaches, separate tenders should be called for each such part or reach (by separate tender notice) and
- it would, all the same be advantageous to invite the tenders for various reaches or parts at the same time.

Works Department of the State Government, vide its Memo No. 1223/W., dated 20.01.2006, modified the above provisions to the effect that

- ➤ Under <u>non-plan scheme</u> such as repair to roads, cross drainage (CD) works, buildings and other irrigation and Public Health works limiting to Rs. 5.00 lakhs might be split up into small reaches <u>after obtaining</u> approval of competent authority.
- In extraordinary situation of emergent nature such as breach of roads, repair of CD works, restoration of structures damages due to natural calamities and also in case of visit of V.I.Ps and V.V.I.Ps, split-up of work might be done without any financial limit on approval of competent authority.

The above provisions were again modified further vide No. 9197-Codes-7/2007/W. dated 31.05.2007 as under:

➤ Depending on the necessity and urgency of execution of work of damaged roads and buildings under <u>plan scheme</u>, work may be split-up to Rs. 5 lakhs after approval by the concerned Superintending Engineer.

It could be understood from the above instructions that splitting should be done only in case of absolute necessity and resorting to tenders would always be in the financial interests of the Government.

B) It was however observed that out of the total **344** Divisions, **171** Divisions (Annexure – VIII) split up the works as detailed below.

Schemes	Number of works	Number of splits	Total value of the works (Rs. in crore)
Plan	1031	9516	75.19
Non – plan	4500	50412	280.85
Total	5531	59928	356.04

It was further observed that

- though the splitting proposal needs to be approved by the competent authority bringing out the justification for such splitting, no such approvals could be submitted by most of the Divisions in the above cases;
- ➤ though it has been provided that splitting must not be resorted to with a view to evade the operation of any prescribed limit, splitting in all the above cases has been done to evade the necessity for open tender.
- though it has been provided that splitting should be justified by circumstances and must be in the interest of the work, splitting in most of the above cases were done without any justification as the work split into various reaches were entrusted to the same agency / contractor in many cases and the nature of works did not require such splitting (e.g. Construction of a compound wall).
- All the above deviations were pointed out in the report for the previous year also.

C) Non submission of vouchers (Rs 4.34 crore).

The Divisions are required to ensure that vouchers in respect of all the expenditure booked in the monthly accounts are submitted along with the accounts. However, **47 Divisions** did not submit vouchers for a total expenditure of Rs. 4.34 crore (Annexure – IX) included in their monthly accounts. Hence, justification for the expenditure could not be ensured. As the Divisions did not submit the vouchers even after being called for by the O/o the Pr. A.G., this amounts to booking expenditure in Government account without actual incurrence.

D) Non submission of Stamped / Money Receipts (Rs. 0.10 crore).

The Divisions are required to submit the stamped / money receipts in acknowledgement of the receipt of payments by the recipients. However, **04 Divisions** did not submit the receipts for a total payment of Rs. **0.10** crore. In the absence of such receipts, actual payment of the amounts to the eligible recipients could not be ensured.

E) Non submission of Royalty Statement (6.83) crore.

The Divisions are required to submit supporting schedules against recovery of various Government dues. It was found that **44 Divisions** had not submitted detailed royalty statements in support of royalty amounting to Rs. **6.83** crore. In the absence of such statements, correctness of the recoveries could not be ascertained.

F) Retention of Heavy Cash Balances by the F.A. & C. A.O.s and Divisions (Rs. 19.24 crore)

Cash balances totaling to Rs **19.24** crore were kept by five F.A. & C.A.O.s of River Valley Projects and one Division under Irrigation Department at the end of March 2016. These balances were kept in the form of cash in hand and advances to the Assistant Engineers / Junior Engineers as detailed in **Annexure— X**. Consequently, such unspent cash balances were available with the F.A. & C.A.Os for spending during the next financial year without proper budgetary allotments. This is contrary to the principles of budgetary control.

Despite being pointed out in this report regularly and specific letters issued every year to the Finance Department of the Government, this practice is continuing unabated. Appropriate and prompt efforts should be taken to recover the unspent advances and remit the same into the Treasury by the end of each financial year.

G) Retention of huge balances under Public Woks Deposits (Rs. 3008.30 crore).

The Divisions account for the amounts received / recovered from various agencies under the following parts.

Part I. Cash deposits of subordinates as security,

Part II. Cash deposits of contractors as security,

Part III. Deposit for work,

Part IV. Sums due to contractors on closed accounts and

Part V. Miscellaneous deposits.

The Divisions are required to review the deposits under the above heads on a continuous basis and initiate efforts for clearance of the balances pending. However, it was observed that the balances under deposit head had been rising steadily during the past Five years as detailed below.

Year	Year Amount outstanding at the end of the year.	
	(Rs. In crore)	
2011-12	1230.11	
2012-13	1540.17	
2013-14	2294.65	
2014-15	2728.22	
2015-16	3008.30	

Out of the amount outstanding as of March 2016, Rs. 1345.97 crore was pending under **Part II**, and Rs. 407.69 crore under **Part V**. Amounts pending under these two parts need special attention of the Divisions as the items date back to past periods for which all supporting records may not be available. Moreover, major portion of the amounts pending under Part – V represent royalty, sales tax, cess, etc., pertaining to past years and payable to the Government.

Most of the Divisions were addressed to furnish component wise and year wise breakup of the balances pending under Part – V. Many of the Divisions did not respond. It was ascertained that the registers prescribed for the purpose had not been maintained. Consequently, while releasing the security deposits pending under Part – II or other amounts kept under Part – V, the Divisions did not record the required certificate on the relevant vouchers indicating that the fact of release had been noted in the respective registers to avoid double payment. As such, the prevailing system for keeping

balances under Part – II and Part – V and release of amounts there from appears to be vulnerable for misuse.

The COs need to accord priority to this issue and ensure proper maintenance of all the prescribed registers / records to guard against any irregularity in this regard. Besides, special efforts need to be initiated for achieving progress in clearance of these balances thereby improving the quality of accounts.

H) Defective Accounting Procedure For Acquisition of Land:

The present accounting procedure for acquisition of land provides that the amount paid by the Executive Engineers, to the Civil Authorities (Land Acquisition Officers) as advance for acquisition of land shall be charged to the Final Head of Accounts. This is contrary to the provisions contained in para 10.5.21 of C.P.W.A code which envisages that unless the amount is paid to land owner and title to the land is passed on to the Government, the amount of advance paid should not be charged to Final Head of Account.

Therefore, transactions of the above nature included in the accounts do not reflect the correct picture in the consolidated State Accounts.

I) Refund of outstanding balances of Security Deposits consequent to the revised procedure.

The procedure being followed by the works Divisions for accounting of security deposits which was in contravention of the extant rules and procedures was rolled back vide Finance Department Memo No- FIN-WM-LC-0034-2012/21229 dated 22.06.2013. The Divisions were directed to credit the outstanding balances of security deposits and interest accruals thereon available in the Bank Account up to 30.06.2013, to the Head of Account 8443-PW Deposit and 0075 Miscellaneous General Service respectively, and credit all security deposit deducted from works bill from 01.07.2013 onwards to the head of account 8443 - PW Deposit. However, the Government order did not prescribe any time limit for effecting the above transfer of balances to Government accounts.

As on 31.03.2016, **10 Divisions** (Annexure XIII) have neither remitted back the outstanding balances to the Government nor responded to the letters from the O/o the Pr. A.G. in this regard, despite the lapse of a period of more than 40 months from the date of the Government order. This situation has arisen as the Government order did not prescribe any time limit for such remittance.

Moreover, in the absence of details regarding the actual amounts of such balances available with the Divisions, it could not be verified whether the Divisions which had remitted the amounts to the Government had actually remitted the entire balance outstanding along with interest. Similarly, actual amount available with the Executive Engineers who have not remitted the balances could also not be verified.

UPWARD REVISION OF LIMIT FOR AWARD OF WORK WITHOUT TENDER

During the year 2015-16, Government of Odisha, revised (Works Department O.M No. 075569000162015 - 10147/W dated 31-08-2015) the financial limit to award contracts, with or without resorting to press publication of tenders, by the Divisional Officers at their discretion from Rs. 50,000 to Rs. 5,00,000.

The procedure for invitation and finalisation of tender was originally issued in November 2005 and splitting of works (subject to certain conditions) was permitted in 2006-07. A review of the rate of materials and labour adopted in the SoR of the year 2006 and those of 2015 revealed that out of 170 items, the rates for 164 items had gone up by 0 to100 per cent and the rates of labour by 141 to 173 per cent. The average increase for material and labour components could therefore be taken as around 100 per cent. Hence, revision of the limit for local tender from the erstwhile limit of Rs. 50,000 to Rs. 1 lakh could have been reasonable to factor in the changes in rates.

As the revision of limit by 900 per cent was abnormal, the matter was taken up (January 2016) by the Pr. A.G. (A & E) with the State Government suggesting for reconsideration of the matter and reducing the limit to Rs. 1,00.000 bringing out the following justification.

01. Prior to the issue of the O.M., almost all the Public Works Divisions had been splitting the most of the works into many reaches / segments keeping the value of each split up to Rs.49,999 to avoid press publication of tender. A consolidation of such split up works (only illustrative and not exhaustive) observed during the test check of monthly accounts for the year 2014-15 as brought out in the Annual Review Report was as under:

Scheme	Number of Number of works splits		Total value of the works (Rs. in crore)	
Plan	2,552	24,517	166.04	
Non – plan	10,451	127,320	668.34	
Total	13,003	1,51,837	834.38	

Splitting in all the above cases had been done only to evade the press publication of tender.

As the Government raised the limit to Rs. 5 lakh, most of the Divisions would be tempted to evade the above process, as splitting any work with individual reaches to below Rs. 5 lakh and awarding the same through local tender would be too easy and convenient at their level. Most of the local tenders were being invited (as delegated by the Divisional Officers as per circular dated 01.03.2016) by the Sub Divisional Officers thereby reducing all chances of competition. Though rules provided for circulation of such tenders among local offices / Contractors' Association, none of the Divisions maintained proper record indicating issue / receipt of such tender notices to / from other local Divisions and action taken thereon. Thus, the system hitherto adopted for local tenders had very little scope for obtaining competitive rates.

Hence, the above amendment entailed the risk of substantial portion of government works being awarded without press publication of tender / competition, particularly in case of non plan works where the tendency of splitting / resorting to local tender was found rampant.

- 2) In view of the competition among the contractors, most of the non plan works awarded after press publication of tender, had fetched rates ranging up to 14.99 per cent below the Schedule of Rates (the threshold limit fixed by the Government) whereas the split up works processed through local tenders had been awarded mostly at or around the SoR. If all non plan works (through splitting) were awarded without press publication of tender by the Divisional Officers at their discretion, the Government would be deprived of the advantage of such competitive rates.
- appenditure of about Rs. 7888 crore and Rs. 3826 crore under plan and non plan schemes respectively under public works. As a result of the above amendment, substantial portion of the total expenditure would be incurred in 2015-16 and onwards without resorting to press publication of tender.

It was also suggested that

- a) Tenders should be allowed to be called and opened only by the officers who are authorized to accept such tenders as provided for earlier in Works Department O.M. dated 19.11.2005.
- b) All tenders for works with estimated cost up to Rs. 1 lakh should be hosted in the official website of the District concerned in order to ensure transparency and fair level of competition at the district level

- leading to more economical rates to the Government besides saving time and avoiding paper work.
- c) Approval for splitting proposals with recorded justifications by the next higher authority should be made compulsory for splitting of works into reaches each with an estimated cost up to Rs. 1 lakh.

Total expenditure by the P. W. Divisions during the year 2015-16 was Rs. 14,684 crore. In view of the revision of the limit, substantial portion of this expenditure has been incurred without calling for tender. This is not in the best financial interest of the State. In spite of the reference from the Pr. A.G. (A & E) and subsequent reminder, there was no response from the Government either justifying the revision of limit or reconsidering the matter to reduce the limit.

The Government needs to be responsive to the references made by the Pr. A.G. on issues of financial importance to the State.

SUBMISSION OF PERIODICAL RETURNS

6.1 Accounts of Interest Bearing Securities:

Central Public Works Account Code (Para 15.6) provides that an account of transactions connected with interest bearing securities is required to be submitted along with monthly accounts in Central Public Works Accounts Form-86 at the close of every financial year and this account should be supported by:

- (i) the acknowledgement (in original) of the depositors for securities returned or re-transferred to them during the year.
- (ii) the certificate of the Divisional Officer that all securities shown as outstanding in the account are in his possession.

None of the total 344 Public Works Divisions has submitted this periodical return. In the absence of this return, correctness of the transactions pertaining to interest bearing securities could not be verified.

6.2 Account of Lapsed Deposits:

Para 15.4.1 of Central Public Works Account Code provides that the following classes of items in the Public Works Deposits account should be credited to Government as lapsed deposits in the accounts pertaining to March each year.

- (i) Original deposits not exceeding twenty-five rupees that remain outstanding for a whole accounting year.
- (ii) Balances not exceeding twenty-five rupees of items partly cleared during the year's closing.
- (iii) Balances unclaimed for more than three complete accounting years.

None of the total 344 Public Works Divisions has submitted this periodical return. In the absence this periodical return, factual position with regard to crediting the lapsed deposits to the accounts of the State Government could not be ascertained.

RECONCILIATION OF TRANSACTIONS UNDER REMITTANCE HEAD

8.1 Reconciliation with Treasuries in respect of Cheques drawn and Remittances made :

The remittances made and the cheques drawn by the Divisions are accounted for in the respective Divisional accounts under "8782-Cash Remittances-102 P.W. Remittances-Head-I Remittances into Treasuries" and "8782-Cash Remittances-102 P.W. Remittance-Head-II P.W. Cheques" respectively. The contra entries appear in the Treasury Accounts rendered to the O/o the Pr. A.G. (A & E) under the same HoAs.

For the purpose of reconciliation of the remittance figures of the Divisions with those of the Treasuries, monthly accounts submitted by the Divisions are to be accompanied by a "Schedule of monthly settlements with **Treasuries" in C.P.W.A. Form-51** supported with "Consolidated Treasury Receipt" and "Certificate of Total Issues" obtained from the Treasuries. This schedule has been prescribed to prevent fraudulent encashment of a cheque or embezzlement of government cash through fake remittance documents. The cheque drawing officer and the officer remitting cash to government treasury should ensure reconciliation of the same every month and submit the reconciliation statement i.e., Form-51, to the O/o the Pr. A.G. (A & E). Monthly reconciliation of the remittance figures need not be over emphasized as unreconciled balances may indicate chances of frauds/embezzlements and such transactions could be unearthed only if probed at the earliest opportunity. Slackness in the above reconciliation gives scope for unscrupulous elements to carry out fraudulent transactions at the cost of Government finance as the chances of detection of such transactions decreases with efflux of time.

However, most of the Divisions did not submit the reconciliation statement on a regular basis along with monthly accounts. As a result, there was heavy accumulation of wanting Form-51 from the Divisions. Out of total 344 Divisions, 282 Divisions have not submitted the required Form-51 pertaining to one/more months pertaining to the period from April' 2013 to March 2016. Division wise details of wanting Form-51 as on 31.03.2016 is shown in Annexure— XI. It could be seen that the failure in this regard by the

Minor Irrigation Divisions was 96.66 per cent followed by Rural Works Divisions (91.80 per cent).

The Controlling Officers should accord "**Top Priority**" to this important issue and ensure prompt reconciliation to avoid adverse financial impact on the Government.

The matter was taken up with the DTI, Odisha. In response, the schedules for the period from 2007-08 to 2015-16 were uploaded in the Treasury Portal as a onetime measure in order to enable reconciliation. Uploading of the schedule on a regular basis may be ensured.

IRREGULARITIES NOTICED DURING AUDIT

9.1 Irregularities noticed in the local Inspection of Public Works Divisions:

The Divisions and River Valley Projects are being audited by the Puri Branch of the O/o the Pr. A. G. (Economic & Revenue Sector Audit). Important findings reported during the course of such audit and included in the respective Inspection Reports are listed below.

i) Infructuous / Unfruitful / Avoidable/ Extra Liability / Excess Expenditure - Rs 651.91 crore (122 paras).

Most of the cases related to

- a) incurrence of expenditure on Roads, Bridges, Buildings, Irrigation projects, etc., before completion of the land acquisition proceedings leading to non completion of the work taken up even after incurrence of major portion of the expenditure,
- b) construction of roads / bridges / irrigation works, etc., without completion of the corresponding feeder / converging / end side projects leading to non utilization of the work completed in isolation and
- c) execution of works which were not actually required.

ii) Short/ Non-Realisation of Government Dues – Rs 23.85 crore (10 paras)

All the cases related to non recovery of Income Tax, Sales Tax, Royalty, etc., which are statutory deductions. Despite this being pointed out by the O/o the Pr. A.G. (A&E) also on many occasions, the Divisions continue with this practice of non deduction of statutory dues from the bills of the contractors.

iii) Undue Financial Aid to Contractors/ firms - 92.53 crore (48 paras).

Observations under this head related to accrual of undue benefit to contractors due to

- a) adoption of rates other than those in the State Schedule of Rates while preparing the estimate.
- b) adoption of higher rates / price in the estimate and
- c) incorrect estimation of quantity to be executed

iv) Non recovery of Penalty from Contractors – Rs. 10.53 crore (05 paras)

These paras pointed out the failure of the Divisions to recover the penalty from the contractors though the penalty was recoverable as per the terms and conditions of the agreement towards bad workmanship and delay (attributable to the contractors) in completion of work leading to adverse financial consequences to the State.

v) Short recovery of Advance/ Interest/ Royalty / Income Tax – 68. 60 crore (24 paras)

The observations brought out the cases of recovery of statutory dues at rates lower than those prescribed in the respective statues. Similar observations have been raised by the O/o the Pr. A.G. (A&E) also on many occasions. In spite of this, the Divisions continue with this practice and effect recoveries at the discretion of the officers concerned. Besides, the paras brought out cases of incomplete recovery of advances paid to the contractors.

vi) Excess payment to Firms/ Contractors. (Rs. 0.09 crore) (2 paras) Observations under this head related mainly to

- a) Payments for items not contemplated / included in the estimate / agreement and
- **b)** Payments for items other than the one included in the estimate / agreement, e.g., Payment for mechanical execution when the estimate / agreement provided for manual execution.

vii) Inadmissible/ Irregular Payment to Contractors—Rs 4. 53 crore (01 para)

Cases relating to payments to contractors for items of work not allowed in the agreement were pointed out under this head.

viii) Idle Store / Surplus / Unserviceable Stores / Blockage of Government Money - Rs. 372.34 crore (4 paras)

Cases of non utilisation of available stores items and non disposal of the items found not required were included under this head.

Besides, the following paras were also included in the Inspections Reports.

- ix) Non recovery of dues from Firms/ Contractors and Others Rs. 26.52 crore (12 para).
- x) Irregular purchase / Non Accountal of Stock / Non Adjustment of Cost of Materials 5.79 crore (8 paras)
- xi) Unauthorised Expenditure Rs. 11.73 crore (8 paras)
- xii) Loss / Misappropriation and Shortage of Stores Rs. 0.33 crore (1 para)

9.2 Details of Audit notes and Inspection reports not replied to:

Prompt reply to the Audit Notes and Inspection Reports ensures corrective action by the field offices at the earliest possible opportunity and prevents occurrence of such/further lapses.

It was ascertained that even **first reply** had not been furnished for **59** numbers of Inspection Reports (**Annexure- XII**) issued on the Public Works Divisions. This indifference to Inspection Reports may result in serious irregularities / accumulation of serious lapses leading to a situation where corrective actions may become impossible, even if taken later.

In order to avoid such situation and to safeguard the financial interests of the Government, the COs need to ensure prompt reply to all the references from Audit and advise remedial action to the field offices.

9.3 Important Irregularities noticed in Central Audit of Public Works Divisions.

Besides the above audit, the Branch Office undertakes central audit of the accounts and vouchers submitted by the Divisions to the O/o the Pr. A.G (A & E). Important observations noticed during the course of such audit were as under.

i) Irregular / Unauthorized Expenditure Rs. 342.15 crore (141 items)

The paras brought out the cases of expenditure not covered under the agreements.

ii) Non submission of vouchers – Rs. 13.22 crore (15 items)

Cases of non submission of vouchers against the expenditure actually booked by the Divisions were listed out in these paras. Similar observations have been raised by the O/o Pr. the A.G. (A&E) also.

Besides, the following observations were also raised.

- iii) Misclassification of expenditure Rs. 0.31 crore (6 items)
- iv) Short recovery of statutory dues such as Income Tax, Sales Tax, Cess, Royalty, etc. Rs. 1.99 crore (34 items)
- v) Excess payment to contractors Rs. 12.87 crore (8 items) and
- vi) Miscellaneous observations Rs. 277.98 crore (120 items)

Prompt reply to the audit observations would help the Government in ensuring corrective action at the earliest opportunity.

ANNEXURE – II (Refer Para 1.3.1 of Chapter 1) LIST OF DIVISIONS HAVING NO SANCTIONED DA/DAO POST

SI.	Division Name
No. 01	PADAMPUR INVESTIGATION (IRR) DIVISION
02	
—	GANJAM INVESTIGATION (IRR) DIVISION
03	HARABHANJI IRRIGATION DIVISION NO.III ADVA
04	CUTTACK INVESTIGATION (IRR) DIVISION
05	NAYAGARH IRRIGATION DIVISION, NAYAGARH
06	QUALITY CONTROL (IRR) DIVISION, BHAWANIPATNA
07	PARALAKHEMUNDI IRRIGATION DIVISION, PARALAKHEMUNDI
08	JONK IRRIGATION DIVISION, NUAPADA
09	RET CANAL DIVISION NO.I, BHAWANIPATNA
10	BARAPALI CANAL DIVISION, BARAPALI
11	TELENGIRI CANAL DIVISION NO.III, AMBAGUDA
12	QUALITY CONTROL (IRR) DIVISION, BARINIPUT
13	DESIGN DIVISION, BARINIPUT
14	HYDROLOGY (NORTH) DIVISION, BOLANGIR
15	HYDROLOGY (SOUTH) DIVISION, JEYPORE
16	DATA ACHIEVING & PUBLISHING DIVISION, BHUBANESWAR
17	HIRAKUND RESEARCH STATION, HIRAKUND
18	REMOTE SENSING DIVISION, BHUBANESWAR
19	DAM SAFETY (MEDIUM PROJECT) DIVISION, CUTTACK
20	HYDROLIC RESEARCH DIVISION, BURLA
21	QUALITY CONTROL (IRR) DIVISION, CUTTACK
22	QUALITY CONTROL (IRR) DIVISION, BHUBANESWAR
23	PMU, ODISHA, STATE ROAD PROJECT, BHUBANESWAR
24	DY. DIRECTOR, RDRP DIVISION, BHUBANESWAR
25	QUALITY CONTROL (R&B) DIVISION, CUTTACK
26	QUALITY CONTROL (R&B) DIVISION, KEONJHAR
27	QUALITY CONTROL (R&B) DIVISION, SAMBALPUR
28	QUALITY CONTROL (R&B) DIVISION, BERHAMPUR
29	QUALITY CONTROL (R&B) DIVISION, RAYAGADA
30	RWSS PROJECT DIVISION, KHURDA
31	MEH RWSS, DIVISION, SAMBALPUR
32	RWSS DIVISION, ANANDPUR
33	MEGALIFT PROJECT DIVISION, JEYPORE
34	MEGALIFT PROJECT DIVISION, TITILAGARH
35	MEGALIFT PROJECT DIVISION, BHUBANESWAR

36	MEGALIFT PROJECT DIVISION, SONEPUR
37	MEGALIFT PROJECT DIVISION, KEONJHAR
38	ELECTRICITY GENERATION DIVISION NO.I, KEONJHAR
39	ELECTRICITY GENERATION DIVISION NO.II, BURLA
40	ELECTRICITY GENERATION DIVISION NO.I, BERHAMPUR
41	ELECTRICITY GENERATION DIVISION NO.II, BHUBANESWAR
42	HYDROLOGY PROJECT DIVISION, GWSI, BHUBANESWAR
43	GWSI DIVISION, BERHAMPUR
44	GWSI DIVISION, SAMBALPUR
45	GWSI DIVISION, CUTTACK
46	GWSI DIVISION, BARIPADA
47	GWSI DIVISION, BOLANGIR
48	GWSI DIVISION, BHAWANIPATNA

ANNEXURE – III (Refer para 2.1 of Chapter 2)
