

प्रधान महालेखाकार (लेखा एवं हकदारी) का कार्यालय, ओडीशा, पुरी शाखा, पुरी
OFFICE OF THE PRINCIPAL ACCOUNTANT GENERAL (A&E) ODISHA,
PURI BRANCH, PURI

No.WM-1429

Date: 17.01.2018

It has come to notice that some of the Sr. Divisional Accounts Officers who have recently retired have applied for interest on their final GPF payments beyond the date of superannuation as their GPF payments were not made on the date of superannuation.

As per rule 34(3) of GPF (CS) rules, the DDO is required to forward the details of the subscriber such as recoveries against the advances which are still current and the numbers of instalments yet to be recovered and also indicate the withdrawals, if any, taken by the subscriber after the period covered by the last annual statement of the subscriber's account to the Accounts Officer, prior to the date of superannuation to ensure authorization at least a month before the superannuation, but payable on the date of superannuation.

Since these details are not being furnished within the prescribed time to this office, there is a delay in settling of final GPF cases of retiring officials.

In order to avoid this in future, it may be ensured that GPF final payment applications of retiring Divisional Accounts Officers of your Division are forwarded from your office well before the date of superannuation of the subscriber, preferably after the Last Fund Deduction (LFD) is made, so that their GPF payments can be authorized at least a month before the date of superannuation.
